The Royal Civil Service Commission is pleased to inform that the deadline for the Planning, Review and Evaluation Phases in the MaX Online System is extended till September 15, 2018.

The extension of the deadline for all the three phases is offered to enable the civil servants to re-do the IWP to cover up the losses of the data during the MAX Online server breakdown happened from August 11 – 20, 2018.

The RCSC also would further like to request to check the status in MaX System to ensure that any submission made in the system are not affected by the server breakdown.
